Experience

IEEE Women in Engineering, VIT | Vellore, Tamil Nadu

Core Committee Member | 05/2023 - Present

Played a pivotal role as a core member in both technical and managerial capacities within the chapter. Demonstrated adeptness in a diverse array of skills, including problem-solving, team management, event coordination, and time management. Spearheaded the successful execution of Gravitas'23, the annual technical fest of our college, where I led the development of the event website and ensured seamless event management alongside my team members. Additionally, made significant contributions to various other chapter events, honing skills such as front-end web development, data structures and algorithms, and fostering effective communication and teamwork abilities.

Yantra'24 (Intra-Annual Hackathon Week) | Vellore, Tamil Nadu

Organiser | 02/2024 - 03/2024

Played an integral role in orchestrating Yantra'24, the prestigious annual hackathon week event at our esteemed college. This experience facilitated the acquisition of invaluable skills including proficient decision-making, active listening, effective communication, adept interpersonal relations, critical & analytical thinking, adaptability to dynamic environments, and the ability to collaborate harmoniously with individuals possessing diverse perspectives to attain shared objectives.

IC-ETITE | VIT, Vellore

Organiser | 11/2023 - 02/2024

My tenure at IC-ETITE conference sharpened my skills in PR and management. I excelled in coordinating stakeholders, facilitating research exchange, and nurturing future collaborations among delegates. My experience underscores adeptness in networking, organizational proficiency, and dedication to advancing education and technological innovation.

VIT Dramatics Club | Vellore, Tamil Nadu

Member | 01/2023 - 07/2023

Participated in various theatrical productions as an active member of the Dramatics Club, cultivating a versatile skill set including effective teamwork, adaptability to dynamic environments, adept problem-solving, proficient time management, personal growth, and disciplined work ethic.

Education

Vellore Institute of Technology | Vellore, Tamil Nadu

Computer Science Engineering | 07/2026

Committed to academic excellence and driven by a fervent desire for growth, I enthusiastically pursue my degree. Eager to embrace emerging technologies and adapt to dynamic challenges, I approach each opportunity with a thirst for knowledge and a determination to succeed.

CGPA: 8.75
