Experience

IEEE Women in Engineering, VIT | Vellore, Tamil Nadu

Vice-Chairperson | 07/2024 – Present

Ensured the seamless operation of the chapter and provided critical support to domain heads to manage workloads effectively. Utilized organizational skills, strategic problem-solving, and leadership to drive efficiency and successful initiatives.

IEEE Women in Engineering, VIT | Vellore, Tamil Nadu

Core Committee Member | 05/2023 – Present

Core team member skilled in problem-solving, team management, and event coordination. Led Gravitass'23, managing development, including the event website. Enhanced front-end web development, data structures, and communication skills through chapter event contributions.

Yantra'24 (Intra-Annual Hackathon Week) | Vellore, Tamil Nadu

Organiser | 02/2024 – 03/2024

Orchestrated Yantra'24, a major annual hackathon at our college, gaining skills in decision-making, communication, interpersonal relations, critical thinking, adaptability, and collaborative teamwork.

IC-ETITE (International Conference on Emerging Trends in Information Technology & Engineering) | Vellore, Tamil Nadu

Volunteer | 11/2023 – 02/2024

Skilled in PR, stakeholder coordination, and networking. Managed research exchanges and fostered collaborations at IC-ETITE conference, showcasing organizational expertise and a commitment to education and tech innovation.

Projects

IEEE-WIE Gravitass'23 Event Website: Developed a website showcasing sponsors and awards, with a direct link to the Gravitass'23 official site for user registration.

My Portfolio (website): Created a personal portfolio featuring contact information, a contact form, my CV, and an about me section.

Movie Recommender (website): Developed a movie recommendation website using HTML, CSS, and JavaScript, offering suggestions based on selected genres.
